### LAWRENCE ANTHONY

A tribute to the late Lawrence Anthony, internationally respected conservationist and bestselling author. He recently completed his latest book, *The Last Rhinos*. His previous book, *The Elephant Whisperer* has been read by people the world over. His funeral was attended by people from all walks of life and communities, illustrating what a remarkable man he was.

### THE ADVERT

The cause advert to raise awareness of rhino poaching designed by Roots advertising and branding agency highlights the core of the issue - demand. It has been published in English and Mandarin, and is available for download for the viral campaign to show how environmental crime is hurting South Africans.

### MIDNIGHT WITH AN ANTI-POACHING TEAM

People often ask - why can't the poaching just be stopped? This article gives one insight into how difficult it is to patrol, monitor, and manage vast, vast tracts of land.

### DR IAN PLAYER SPEAKS OUT

Dr Ian Player is recognised for being key to saving the white rhino from extinction. No one would have thought that all these years later he would be giving his views to save this magnificent animal from the brink of extinction once again. Wildside interviewed him on his views and the history he gives in itself provides answers.
