ZINGELA RAFTING • WEENEN

Established in 1983, Zingela's Bushcamp has lovingly and slowly evolved from tents on the banks of the Tugela to unique thatch, stone and canvas units. Weenen is 4 hours from JHB and 2 from Durban but the 26km bushtrack to camp removes one firmly from civilisation.

Mother Nature has provided endless opportunity for rafting, abseiling, mountain-bike trails, gamewalks and romance. As a result Zingela has been a popular destination for weddings, honeymoons, corporate functions and special family occasions. Both catered and self-catered options available. The camp can accommodate from 1 to 101.
